

### **EDI Training Webinar for Former THIN Submitters**

This training webinar provides an opportunity for you to learn about the differences between THIN and Availity's EDI process and response files. Also, learn about the various Availity claims submission methods, interpreting EDI reports, setting your EDI reporting preferences, and using **My Availity Dashboard**.

In a live webinar, you can view the trainer's actions in the Availity web portal and hear instructions as the trainer demonstrates how to submit transactions through the Availity Health Information Network. Each session lasts approximately one hour and at the end of the webinar, the trainer will offer a live question and answer period.

To register, simply click the date and time of the upcoming session you would like to attend and the registration page will open in a new window. Follow the instructions on the page to complete the registration form. You will receive a confirmation within two business days and receive a reminder one to two business days before the webinar.
